CANDIDATE'S COMMITMENT
Prix de Lausanne 2027

We hereby acknowledge that we understand the terms and conditions that apply to the Prix de Lausanne Final, as specifically set forth in the rules and regulations.

We understand and acknowledge that winners of the Prix de Lausanne have a responsibility to fulfill their commitment by either:

1. Attending one of the professional schools from the designated list for a full school year, or
2. Apprenticing with one of the designated companies for an entire season

Directly following the Prix de Lausanne 2027

We understand that, should a Prix de Lausanne winner win a scholarship at another competition, this winner would have to postpone this other prize until their first commitment is completed. If an accident or illness, as confirmed by medical specialists, prevents a prize winner from completing a full year of study or season of apprenticeship, the Prix de Lausanne may, in the form of its sole discretion, waive completion requirements.
